

# Not Dark Yet

The background of the cover is a photograph of a sunset. The sky is filled with vibrant orange and red clouds. In the foreground, there is a lush green field. On the left side, a large, detailed cricket ball is visible, partially obscured by the trees. On the right side, there are dark silhouettes of trees against the bright sky.

*A very funny book,  
about a very serious game*

Foreword by

At the bottom of the cover, three wooden cricket stumps are visible, arranged horizontally. They are dark brown and appear to be part of a cricket pitch.

Spiced with  
humour, the  
tales of epic  
encounters  
at Clifton  
Hampden  
are told  
alongside  
more  
modest  
affairs at  
Lords,  
Headingley  
and  
OldTrafford.
