Reviews

I commend it to all who wish to have their thoughts provoked and their mind-sets stirred. *Marcus Swalwell, formerly President of CIBA Vision, Japan*

This book is a gem - a must-read for all those looking to transform their lives for the better. *Simon Ormston, Head of Marketing, BT Global Services*

Profound and thought-provoking, this will be as valuable in the boardroom as it will in the kitchen.

Steve Jacques, Managing Director, Integrity HR Consulting

What a delight!

Di Kamp, Chief Executive, Meta

No matter how many times you explore this book, there are always more treasures to discover within its pages.
